ROSE KEITH, QC'S ARTICLE ADDRESSING RETURNING TO WORK DURING THE COVID-19 PANDEMIC RE-PUBLISHED BY CANADIAN EMPLOYMENT SAFETY AND HEALTH GUIDE

Harper Grey lawyer, [Rose Keith, QC](#), recently published an article titled “Workplace Policies: Ensuring That They Reflect the Risks and Realities of a Return to Operations During the COVID-19 Pandemic.” The article addresses how an integral part of the development of your Safety Plan for return to operations during the pandemic is the development and refinement of your workplace policies.

Originally published to the [Harper Grey Resource Hub](#), this article was re-published in the July 2020 Edition of the Canadian Employment Safety and Health Guide – check it out [here](#).
