HARPER GREY RECOGNIZED FOR SIGNIFICANT ONGOING CONTRIBUTIONS TO WICC BC

August 4, 2020

After being involved with WICC BC for over 15 years, Harper Grey was recently featured in WICC BC's bi-annual publication, "Luminary." The feature recognizes WICC's platinum regional donors and provides insight into the donors and why they have chosen to support WICC.

Our involvement with WICC was spearheaded by Harper Grey partner, [Jennifer Woznesensky](#), in 2005 and has since inspired other members of our firm to lend their support to the organization. "As a community-based law firm, giving back is ingrained in our culture, says Jennifer. "We choose to make a difference by giving more than just our money – we also invest our time, expertise, knowledge and enthusiasm."

In concert with our platinum sponsorship of WICC, our lawyers and clients also attend various events throughout the year, including their summer golf tournament and fall networking breakfast.
