**ROSE SHAWLEE RELEASES “BEYOND THE  
BASICS IN BC” ESTATE PLANNING & WEALTH  
PRESERVATION UPDATE IN SUPPORT OF BC  
MAKE A WILL WEEK 2020**

Rose Shawlee’s latest Estate Planning & Wealth Preservation Update “Beyond the Basics in BC,” discusses two lesser known features and opportunities of Wills: Multiple Wills and Qualified Disability Trusts. Read the full Update [here](#).

This Update was released in support of BC Make a Will Week, in the hopes that it would inspire us all to create Wills if we do not have them and review them if we do.

October 4-10, 2020, is Make-a-Will Week in British Columbia. Its purpose is to encourage the public to write their Will or bring an existing Will up-to-date. Read more about BC Make a Will Week [here](#).
