STEVEN ABRAMSON INTERVIEWED BY CANADIAN LAWYER MAGAZINE REGARDING BC COURT OF APPEAL CASE

Harper Grey lawyer, [Steven Abramson](#), was recently interviewed by *Canadian Lawyer Magazine* regarding the BC Court of Appeal decision in *Nagy vs. BCAA Insurance Corporation*. This case was interesting because the appeal court ordered a retrial of the case, saying the trial judge had made overriding errors in fact and law.

Steven provided commentary regarding the case, asserting “proving fraud by omission is very difficult – you have to prove that you left something out on purpose because you were trying to deceive [them].”
