JESSICA WILSON AND KARISSA KELLN CO-AUTHOR "MICROPLASTICS AND CLIMATE CHANGE: REGULATORY RESPONSE TO THE CURRENT SCIENCE"

The December 2020 edition of CBA BC's Bar Talk featured an article co-authored by Harper Grey [Business Law](#) lawyers, [Jessica Wilson](#) and [Karissa Kelln](#). "Microplastics and Climate Change" outlines recent findings by Environment and Climate Change Canada on the current state of science regarding plastic pollution, including microplastics, and the Canadian government's proposed regulatory response to these October 2020 findings.
