CANADIAN ENVIRONMENTAL LAW BLOG: NET-ZERO CARBON EMISSIONS: PIPE DREAM OR FUTURE REALITY?

Co-authored by [Richard Bereti](#) and [Nicola Virk](#), the most recent post from our Canadian Environmental Law Blog, discusses Bill C-12, the *Canadian Net-Zero Emissions Accountability Act*. This Bill, which was recently introduced into Parliament by Canada's Environment and Climate Change Minister, declares Canada's its intention to achieve net-zero emissions by 2050.
