## LIFE IN LAW SECURES THIRD AWARD FOR WEBSITE DESIGN

January 11, 2021

We have just learned that [Life In Law](#) (“LiL”) is the recipient of an [International Media \(IMA\) Best in Class Award](#) for their website. LiL is an initiative powered by Harper Grey that was launched to help stem the attrition of women lawyers by providing a free and confidential support forum for women in law, by women in law. This award, combined with the [Platinum Hermes Creative Award](#) and the [Gold MarCom Award](#) – is a trifecta of recognitions – and delightfully rare! Each of these awards recognize the highest standards of excellence in website design and development and honor individuals and organizations for their outstanding achievement.

The LiL website was designed by the in-house Marketing team at Harper Grey LLP along with the entire LiL brand identity. The intuitive website has made it possible for LiL to connect and grow their community and we are so very pleased with the recognition it has received. You can learn more about LiL at [www.lifeinlaw.ca](http://www.lifeinlaw.ca).
