We are excited to announce that [Jeanne Posey](#) has joined the [Wills & Estates](#) team of our [Business Law Group](#). Jeanne's ability to assist individuals and businesses with their often complex succession and estate planning is underpinned by the expertise gained early in her career in the area of tax law. Her clients benefit from the critical thinking she brings to the tax considerations surrounding both. Jeanne is known for her sophisticated yet practical advice and skill in guiding clients through the personal and family dynamics that can influence planning. We are delighted to welcome her to our team. Read more about Jeanne and her specific expertise [here](#).
