LUKE ELLIOTT TO PARTICIPATE IN UBC PRELAW SOCIETY VIRTUAL NETWORKING EVENT

Harper Grey Associate, [Luke Elliott](#), will be participating in an upcoming networking event hosted by the UBC Prelaw Society for its undergraduate members on Wednesday, March 31, called “Order in the Cork”. The virtual event will allow undergraduate students interested in the legal field to enter various themed breakout rooms and ask legal professionals questions, network and take advantage of the opportunity to get to know the field they are passionate in pursuing.

Luke has been involved in past events with the society, most recently participating in their “[Life of a Lawyer](#)” panel discussion for UBC undergraduate students earlier this month.
