HARPER GREY IS ROOTING FOR TEAM CANADA AT THE UPCOMING 2020 TOKYO PARALYMPIC GAMES

August 20, 2021

The 2020 Tokyo Paralympic Games commence this Tuesday, August 24, 2021 and end on Sunday, September 5, 2021. A total of 22 sports are scheduled to be included in the Games contested by 164 different countries and regions. Over 4000 athletes will compete in 537 events showcasing a culmination of years of hard training and sacrifice.

In June of this year, we were proud to [announce](#) our four-year commitment to the Paralympic Foundation of Canada (PFC) as a Hall of Champions Donor, which supports the Canadian Paralympic Committee in their endeavor to strengthen the Paralympic movement in Canada. We, along with PFC, believe every Canadian should have the opportunity to compete in sport regardless of ability and will be proud to watch our Canadian athletes compete in the upcoming games.

Read more about Team Canada [here](#) and find out more about the PFC [here](#).
