EXPERTISE

Business Law

Christine brings to her role more than 29 years of experience as a paralegal in the corporate commercial arena.

She is engaged in the broad practice of business law, including corporate/commercial, securities and tax transactions. Christine's focus is on preparing documents regarding mergers and acquisitions, equity and debt financing, and tax related reorganizations and restructuring. She has extensive experience with statutes across Canada and is familiar with various statutes in the United States and has dealt with all types of corporate entities, including not-for-profit.

Christine received her Paralegal Certificate from Capilano University in 1987 to compliment her BA in Administrative Studies from the University of Winnipeg obtained in 1983.
