**ROSE SHAWLEE PUBLISHES “BEYOND THE
BASICS IN BC” IN SUPPORT OF MAKE-A-WILL
WEEK IN BC**

Make-A-Will Week, October 3-9, 2021, is an annual event organized by the government to encourage the public to write their will or bring an existing will up-to-date. In support of this initiative, [Rose Shawlee](#) published a helpful resource the “Estate Planning & Wealth Preservation Update – Beyond the Basic in BC” which discusses two lesser known features and opportunities of Wills: Multiple Wills and Qualified Disability Trusts. You can read it [here](#) or find it published on our Resource Hub together with additional information related to creating estate planning documents.

If you have any questions related specifically to creating a Will or to estate planning in general, Rose can help. You can reach her [here](#).
