January 4, 2022

Harper Grey is delighted to announce the addition of [Jennifer M. Williams](#) to our [Business Law](#) and [Real Estate Law](#) groups. She will also be assuming the role of Co-Chair of our Real Estate Group. Jennifer's unique perspective and expertise were honed through more than two decades in private practice advising clients on complex real estate issues and as in-house counsel for 5 years with a prominent real estate development company. Clients appreciate the business acumen Jennifer has built working shoulder to shoulder with business, real estate and other professionals. She knows firsthand what business people need from their legal counsel and delivers on her well-earned reputation for thinking like a business partner and providing innovative and practical solutions to her clients' issues.

Learn more about Jennifer's background and how it enables her to provide timely, responsive, and results-focused legal advice [here](#).
