JONATHAN MEADOWS QUOTED IN BUSINESS IN VANCOUVER ARTICLE DISCUSSING LAW FIRM TECHNOLOGY

June 15, 2022

Harper Grey Managing Partner, [Jonathan Meadows](#), was recently quoted in a Business in Vancouver (BIV) titled “[Vancouver Law Firms Competing for Technology Edge](#).”

The article discusses recent advances in artificial intelligence (AI), electronic documents and video-conferencing technology have positively impacted on lawyers’ billable hours.

Jonathan commented on the new technology, describing it as a double-edged sword. “If firms have not been looking at AI in the past, they’re behind the curve,” Jonathan added. “Everybody’s looking at it, and some are employing it to a more or lesser degree.”
