**HARPER GREY PROUD TO DONATE TO LAW
STUDENTS' LEGAL ADVICE PROGRAM**

July 27, 2022

We are pleased to share that we have provided a donation to the Law Students' Legal Advice Program (LSLAP).

LSLAP is an independent non-profit run by the Peter A. Allard School of Law students at UBC. The law students, overseen by lawyers, provide free legal services to those who cannot afford representation. This program is invaluable to both the community and the students running it.

If you would like more information on LSLAP click [here](#).

Consistent with our long term commitment to community service, Harper Grey has a coordinated, professional and meaningful pro bono program. Harper Grey lawyers volunteer their time and expertise to many causes and organizations and regularly perform pro bono work on behalf of marginalized groups.
