We are excited to share that three of our senior female lawyers have been included in Benchmark Canada's 2022 Top 100 Women in Litigation!

Please join us in congratulating [Kim Jakeman, QC](#), [Una Radoja](#) and [Abigail Turner](#) on this exciting accolade.

The extensive research process used in the creation of the list involves months of investigation into individual litigators' professional activities as well as client feedback surveys and one-on-one interviews, and has culminated in the selection of the most distinguished women in the world of litigation.

The women included on this list have earned their place amongst the leading female litigators by participating in some of the most impactful litigation matters in recent history as well as by earning the hard-won respect of their peers and clients.
