HARPER GREY PROUDLY BECOMES A MEMBER OF THE GREEN BUSINESS BUREAU

August 22, 2022

We are excited to announce that Harper Grey has recently become a member of the Green Business Bureau, an organization that aims to change the world for the better through software that helps businesses become more sustainable. A trusted authority in green business, they provide online solutions to help purpose-driven businesses of all sizes learn, prioritize, manage and certify green initiatives. Read more about the organization [here](#).

A proponent for sustainable business, our firm's Green Committee has been actively involved in reducing waste in our workplace and reducing our environmental footprint. They have been instrumental in the many steps we have taken over the past few years to alter the way we run our business to become more environmentally responsible.
