**APRIL WILKINSON SUPPORTS MAKE-A-WILL
WEEK**

October 3, 2022

This week is Make-a-Will Week in BC, encouraging the public to create a will or bring an existing will up-to-date.

Now is the time to update your existing will – especially if you’ve had a change in spouse, dependents or assets.

Or, if you don’t have one already, now is the perfect time to create your first will.

To learn more about how a will can best suit your individual needs, reach out to [April Wilkinson](mailto:April.Wilkinson@harpergrey.com) at awilkinson@harpergrey.com.
