## **HARPER GREY PROUD TO SPONSOR 2022 MPL INTERNATIONAL CONFERENCE**

October 5, 2022

We are excited to announce our sponsorship of the 2022 Medical Professional Liability (MPL) International Conference. Being held in Ottawa from October 5-7, the conference is the premier global conference for MPL professionals and is hosted by the Canadian Medical Protective Association.

Harper Grey Partner and [Health Law Group](#) Chair, [Kim Jakeman, KC](#), will be speaking at the conference at the MPL Legal Forum on the topic of Evolving Duties of Care with a focus on Medical Assistance in Dying (MAiD). During her career, Kim has developed niche expertise in this area and is keen to share her knowledge with the conference attendees. Read more about Kim's specific experience in this area [here](#).

Our [Health Law Group](#) is the leader in civil litigation defence for health practitioners in British Columbia and the Yukon. Our depth of experience in this area is unique and has cultivated the unique insights, perspectives and skills that set us apart. Read more about our health law expertise [here](#).
