## **HARPER GREY WELCOMES NEW DIRECTOR OF TECHNOLOGY, JACKSON ROBINSON**

October 24, 2022

We are excited to announce that [Jackson Robinson](#) has joined Harper Grey as our new Director of Technology.

An enthusiastic technology and people leader, Jackson brings over 20 years of experience in the tech space, connecting enterprise technology with people to achieve business goals.

In his new role, Jackson will work with Harper Grey's partners, senior management, and team of technology specialists in planning and implementing the firm's information technology vision and strategy.

Read more about Jackson's experience [here](#).

Please join us in welcoming Jackson to the firm!
