HARPER GREY HONOURED WITH WICC DONATION PLAQUE DECAL FOR CONTINUED SUPPORT

October 24, 2022

On Monday, October 17, 2022, we were honoured to have a representative from Women in Insurance Cancer Crusade (WICC BC) present us with a new decal to add to our donation plaque. This plaque is displayed proudly in Harper Grey lawyer [Jennifer Woznesensky's](#) office, who spearheaded the firm's involvement with the organization over a decade ago. Harper Grey has been a proud supporter of WICC since 2005 and a Platinum Sponsor of the organization for over 15 years.

WICC was established in 2002 to support fundraising efforts for breast cancer but they have since expanded their efforts to include all types of cancer. The funds raised by WICC are donated to the Canadian Cancer Society. Read more about WICC BC [here](#).
