**HARPER GREY WELCOMES NEW ASSOCIATE,
NINA DAUVERGNE**

November 1, 2022

We are excited to welcome [Nina Dauvergne](#) as an associate practicing with our health law and estate litigation groups.

Nina first joined Harper Grey as a summer student in 2019 before returning as an articling student in 2022. During her time between summering and articling, Nina clerked at the Supreme Court of British Columbia where she developed her knowledge regarding civil litigation and the province's judicial system.

Please join us in welcoming Nina to her new role!
