UNA RADOJA TO PRESENT AT 2022 PBLI CONTAMINATED SITES CONFERENCE

Harper Grey Partner, [Una Radoja](#), will speak at the upcoming 2022 Pacific Business & Law Institute (PBLI) Contaminated Sites Conference. Taking place on November 10, the will take place in person at the UBC Robson Campus and will also be available online via webinar.

Una will be speaking on the topic of “Releases and Indemnities in Contaminated Sites Transactions: Litigation Perspectives.” Read more about the program of presenters and the event [here](#).

The Co-Chair of our [Environmental Law Group](#), Una is recognized as a leading expert in BC’s ever-changing contaminated sites legal landscape. She routinely advises commercial property owners, developers, and other businesses on minimizing environmental risk arising from ownership of and operations on contaminated land. Read more about her expertise in this area [here](#).
