March 15, 2023

In a continued effort to promote inclusion within our profession, Harper Grey has provided a donation to the Canadian Association of Black Lawyers (CABL). CABL is a Canada-wide network of law professionals dedicated to the advancement of Black lawyers within the legal community.

In February, Harper Grey's Diversity, Inclusion and Belonging Committee was honoured to welcome CABL President, Mr. Raphael Tachie as a guest speaker for our firm-wide event in honour of Black History Month. Read more about CABL [here](#).

A diverse and inclusive workplace that encourages and supports differences and promotes innovative perspectives reflects both the core values of our firm and the communities in which we live and do business. Learn more about our commitment to diversity and inclusion [here](#).
