## KIM JAKEMAN, KC, TO PARTICIPATE IN UPCOMING LIFE IN LAW ASK US ANYTHING PANEL

Harper Grey Partner and [Life in Law](#) (LiL) co-founder, [Kim Jakeman, KC](#), will participate in the [Life in Law](#) (LiL) Ask Us Anything Panel on Wednesday, September 27. Register for the free virtual event [here](#).

Kim has a passion for expanding possibilities for women in law. “We have all watched as our female friends, coworkers, and colleagues have made the difficult choice to give up the career path they spent years working towards,” says Kim. “We wanted to do something that would make an impact and help lower the attrition rate of all women lawyers.”

The Panel includes [Life in Law](#) advisors, [Alysia Christiaen](#), [Renee Gagnon](#), [Kim Jakeman](#), [Cynthia Kuehl](#) and [Jennifer Woznesensky](#). Moderated by LiL Leader, [Zahra Vaid](#), the panel will discuss:

- What makes a good lawyer?
- What the panelists would change about their legal journey.
- Sexism in the profession.
- How to balance work and family life.
