## **FIRM MEMBERS ATTEND THE PARALYMPIC FOUNDATION OF CANADA'S IGNITE CAMPAIGN LAUNCH EVENT**

October 20, 2023

On Wednesday, October 18, Harper Grey firm members attended the launch of the IGNITE campaign – the largest-ever initiative in support of the Paralympic movement in Canada. The event took place at the And-Co offices and provided attendees with the opportunity to meet Team Canada Paralympians, celebrate their journeys, and learn how we can IGNITE change through sport.

Our Firm is a proud supporter of the Paralympic Foundation of Canada as a Circle of Champions donor and Harper Grey partner, [Kim Jakeman, KC](#) sits on their board. We are excited to cheer on our team this evening at the Foundation's ParaTough Cup which creates awareness and raises funds to support the Paralympic Movement, sports, and athletes.
