**ROSE KEITH, KC TO CO-CHAIR “VIEW FROM
THE BC BENCH” PROGRAM**

November 3, 2023

Harper Grey partner, [Rose Keith, KC](#), will co-chair an upcoming program presented by The Advocates’ Society. Titled “View from the BC Bench,” this live online session will feature discussions straight from judges in BC on some of the most pressing issues in today’s courtroom. Attendees can expect to hear the judiciary’s perspectives on the most effective advocacy techniques they encounter, advice on elevating your own approach to litigation, and what they wish they’d known when they were on the other side of the Bench.
