DANIEL REID PARTICIPATES IN THE DIGITAL FORENSICS FILES PODCAST

February 8, 2024

Harper Grey lawyer, [Daniel Reid](#), participated in the Digital Forensics Files Podcast last week. The podcast discussed how a new BC law will help victims whose intimate images have been posted online. Listen to the full podcast [here](#).

Daniel has more than fifteen years of experience advising clients and serves as co-chair of our privacy and data protection group. In this area of practice, Daniel has acted in high profile defamation and privacy cases, advised professionals and corporations dealing with privacy breaches, and frequently teaches professional development courses for lawyers and industry professionals relating to electronic evidence.
