Since it was first published in 1983, *Best Lawyers* has become universally regarded as the definitive guide to legal excellence. Because *Best Lawyers* is based on an exhaustive peer-review survey in which almost 50,000 leading attorneys cast nearly five million votes on the legal abilities of other lawyers in their practice areas, and because **lawyers are not required or allowed to pay a fee to be listed**, inclusion in *Best Lawyers* is considered a singular honor. Corporate Counsel Magazine has called *Best Lawyers* “the most respected referral list of attorneys in practice.”
