HARPER GREY RECEIVES HIGH RANKINGS FROM BENCHMARK CANADA 2014

February 25, 2014

Benchmark Canada 2014 names Harper Grey LLP as a “Highly Recommended” local litigation firm in British Columbia for the second consecutive year and recognizes ten of our lawyers as “Local Litigation Stars” in a variety of practice areas. Six of those lawyers were also identified as having strengths in additional practice areas, either exclusively or as a specialty component of their general practice, including construction, defamation, environmental, medical malpractice, personal injury and professional liability.

Recognition is given by Benchmark Canada to only those lawyers consistently recommended as reputable and effective litigators by clients and peers. You can read the in-depth editorial content and more about Benchmark Canada’s methodology [here](#).
