HARPER GREY CLIMBS CANADIAN LAWYER'S TOP 10 WESTERN & NORTHERN FIRMS

September 12, 2014

We are very pleased to announce that our Canadian Lawyer's Top 10 Western & Northern Firms survey ranking moved up four spots this year to seventh place.

The peer survey results determine the rank of the Top 10 regional law firms from BC, Alberta and the Territories based on regional service coverage, client base, notable mandates, service excellence and legal expertise. In the article "*Stronger Than Ever*", author Arshy Mann provides a regional update, the full list of Top 10 Western & Northern firms and details on the ranking methodology.

"I think there's no doubt that people voted for Harper Grey because of the particular strength we have in litigation," says managing partner [Richard Bereti](#). "And people know when they deal with us, they're dealing with people of the highest calibre on the ethical side of things."
