**MICHAEL BROWN TO PRESENT “BUILDING A STRONG FOUNDATION FOR YOUR PRACTICE - WITH A STRATEGIC BUSINESS STRUCTURE” AT HARPER GREY BRIDGING THE GAP SEMINAR SERIES**

Harper Grey lawyer [Michael Brown](#) will present at our November 29, 2016 Bridging the Gap Seminar Series. Michael will focus on how making an informed decision on how you set up your business is very important, particularly in regards to liability and income tax issues. This breakfast session will be held at the Four Seasons hotel in downtown Vancouver.

The Harper Grey Seminar Series was developed to help bridge the gap between health care and legal professionals. The focus of the Series is to provide health care professionals with the information they need to navigate the legal, regulatory and business realities of modern private practice.

For more information about this topic or our Bridging the Gap seminar series, please contact [Michael Brown](#).
