For the fourth consecutive year, Harper Grey LLP has been recognized by *Benchmark Canada: The Definitive Guide to Canada's Leading Litigation Firms and Attorneys 2016* as a “Highly Recommended” local litigation firm in British Columbia. The “Highly Recommended” ranking is given to those leading law firms held as dominant in their jurisdiction. Quotes obtained through research and interviews conducted by *Benchmark Canada* include:

“A Vancouver staple, Harper Grey is perhaps the most BC-centric of the “highly recommended” firms, owing largely to the firm’s bench strength in several key areas. [The firm] has niches, and in those niches they are the best of the best. They dominate the medical practice, insurance, and product liability, and even have some more specialties like bankruptcy, aviation, defamation, securities, and environmental. Harper Grey is a trial lawyer’s firm, and they’ve got a big deep bench of well-trained litigators.”

Benchmark Canada’s Guide includes results that are a culmination of a four-month research period that allows their researchers to conduct extensive interviews with litigators and their clients. During these interviews, they examine recent casework handled by the firms and ask sources to offer their professional opinions on litigators practicing within their province or practice area(s) across the country.
