September 15, 2016

Last Friday, the Access Pro Bono 2016 “Going Public” event saw a record number of people who may not otherwise have access to justice provided with free legal advice. Six Harper Grey lawyers volunteered their time and assisted in helping Access Pro Bono towards its fundraising goal of \$70,000. The annual outdoor “legal advice-a-thon” facilitates access to justice for low- and modest-income people by engaging volunteer lawyers in advising pre-scheduled and drop-in clients on various legal issues. Harper Grey is proud to have been the Title Sponsor of the “Going Public” event for the third consecutive year and looks forward to lending our support to this event again next year.
