HARPER GREY PUBLISHES 4TH EDITION OF BRITISH COLUMBIA ENVIRONMENTAL MANAGEMENT LEGISLATION & COMMENTARY

We are delighted to announce that the 4th Edition of *British Columbia Environmental Management Legislation & Commentary* authored by [Richard Bereti](#) and [Una Radoja](#) has been published.

This unique publication explains the legal principles that govern contaminated sites management in British Columbia, and includes an overview of the British Columbia *Environmental Management Act*, the Contaminated Sites Regulation and key compliance and practice issues.

A must have resource for practitioners, property owners, developers, and environmental consulting industry, the text offers a detailed discussion concerning contaminated site redevelopment, recovery of costs of remediation, key regulatory instruments, and director's orders.

Find details regarding how to purchase your copy [here](#).
