Harper Grey is very pleased to announce that [Derek Mah](#) has joined our [Critical Injury Group](#) as Associate Counsel.

“We are very fortunate to have Derek join our team as we continue to expand our Critical Injury Group”, states Richard Bereti, Managing Partner. “Derek brings a level of knowledge and experience that is truly exceptional and sets him apart. He has a passion for helping those who have been injured. This aligns perfectly with the core principles of the group.”

The focus of Derek’s practice is on helping people who have been hurt in car accidents, slip and falls, and other incidents. Derek’s unique background as a former physiotherapist and insurance defense lawyer provides him with valuable insights into the medical and legal issues that his clients face.

“Harper Grey’s critical injury practice has an excellent reputation”, says Derek. “The group is surrounded by skilled and seasoned lawyers with expertise in related fields. That, combined with their ‘Rehabilitate. Motivate. Succeed.’ philosophy, makes Harper Grey a perfect fit.”
