"COMPULSORY PSYCHIATRIC TREATMENT IN THE MHA: WHEN IS IT LEGITIMATE?" ARTICLE

In her article, "Compulsory Psychiatric Treatment in the MHA: When is it Legitimate?," Harper Grey associate [Kelsey Rose](#) discusses how compulsory psychiatric treatment is a severe intrusion on one's bodily integrity – and asks the difficult question: when is the intrusion justified? The article was published in the February 1, 2018 edition of CBA Bar Talk.
