On Friday, June 1, 2018 Harper Grey's [Steven Lukas](#), [Prentice Durbin](#), [Drew Lawrenson](#), [Michael Brown](#) and Scott Howie joined over 1,000 members of BC's tech entrepreneurs, industry leaders, and partners for the sold out 25<sup>th</sup> anniversary of the BCTIA Technology Impact Awards. The event celebrated the immense impact that the BC tech industry has had on not only the province but around the world and recognizes the change makers, the up-and-comers, the innovators, and the bold.

As a category sponsor, we were delighted to present the **Spirit of Tech BC Award** to **Ayogo**. Ayogo is a pioneering digital health company, drawing on behavioural economics, design thinking, and psychology to activate patients for better health outcomes. With customers in life science, pharmaceutical, and medical technology realms, Ayogo creates award-winning health apps that are efficient, effective, and fun. Ayogo has twice been recognized as one of the top 100 most innovative digital health companies, and was the 2017 winner of the Professional Services Category in the BC Export Awards.
