## **JONATHAN MEADOWS AND KIM YEE TO PRESENT AT UPCOMING RIMS CANADA CONFERENCE**

On September 13, Harper Grey's [Jonathan Meadows](#) and [Kim Yee](#) will co-present with Dan Heaman of the Financial Institutions Commission, Concurrent Session 5 "The Anatomy of an Effective Investigation – Key Strategies to Reduce Risk" at the upcoming RIMS Canada Conference.

The focus of this session is the effective management of investigations following incidents giving rise to a death, bodily injury, or property loss in order to reduce company risk. Speakers will also discuss how to handle investigations following a privacy breach or an incident involving employee misconduct. Attendees will learn principles of effective investigation, types of evidence to be collected, their obligation to cooperate with provincial and federal agency investigators and when to retain professional assistance from adjusters, lawyers and other experts.
