The second Vancouver event for Access Pro Bono's 2018 "Going Public" event was held on Wednesday, September 12, 2018. The Legal Advice-A-Thon was held at the Vancouver Art Gallery and called significant media attention to the legal community's efforts to increase access to justice, while serving the public and raising much-needed funds for BC's pro bono programs. Harper Grey lawyer, [Una Radoja](#), was on site offering free legal advice.

Harper Grey has been a proud Title Sponsor of the "Going Public Event" since 2014. Our involvement offers our firm another rewarding opportunity to make a difference through supporting BC's pro bono programs and actively participating in providing free legal advice to those who may not otherwise have access to justice.
