Canada Post is negotiating contracts with its unions. In the event of a postal worker strike, Harper Grey LLP will adjust its communications and mail delivery options to minimize any related disruption for our clients, contacts and suppliers. We have a network of agents and services throughout the province to support client services.

Couriers and electronic communication will be relied on for timely delivery of documents. You are welcome to contact us with any questions at 604.687.0411.
