DANIEL REID QUOTED IN CANADIAN INSURANCE ARTICLE “HOW BROKERS CAN BEST SERVE GIG ECONOMY WORKERS”

October 17, 2018

On August 22, 2018, Canadian Insurance published an article written by Danielle Kubes titled “How Broker can best serve Gig Economy Workers” which discusses educating clients, insurance solutions and product upgrades.

[Daniel Reid](#), who has written and presented extensively on the gig economy, provided commentary and was quoted on how the conflation of personal and commercial interests has created wide grey areas of liability. Read the complete article [here](#).
