COMMENTARIES

"Guy is highly regarded by sources for his skillful courtroom advocacy. His civil practice includes professional negligence, medical malpractice and personal injury, as well as insurance coverage mandates."

— *Chambers Canada® 2021*

"They've got some real gems. Kimberly Jakeman, Guy Brown, James Lepp, Karen Douglas, Abigail Turner – I've seen all of these people on occasion and I've been very impressed. These cases are not easy to cope with – they involve a lot of factual evidence you wish you didn't have to hear – but from what I've witnessed the Harper Grey team has done a very commendable job of providing assured, steady counsel in cases where it would be easy for those with less backbone and less adequate acumen to falter."
– *Benchmark Canada@ 2017*

"He can argue the merits of a complex legal issue, understand the business context and assist clients of any level of expertise in navigating a situation."
– *Chambers Canada@ 2020*
