**MICHAEL DROUILLARD CO-AUTHORS “THE  
LAW OF THE OWNERSHIP AND OCCUPATION  
OF MANUFACTURED HOMES AND  
MANUFACTURED HOME PARKS IN BC”**

Harper Grey Associate [Michael Drouillard](#) co-authors comprehensive legal Reference Guide for BC Manufactured Homes with **Brett Love** of the Department of Justice. “The Law of the Ownership and Occupation of Manufactured Homes and Manufactured Home Parks in British Columbia” weaves together all relevant statutes applicable to manufactured homes, policy guidelines of the Residential Tenancy Branch (which regulates manufactured home tenancies) and case law. The guide was originally presented in their joint presentation at the CLEBC Residential Real Estate Conference held on December 6, 2018 at the Pan Pacific Hotel in Vancouver. Their session on “Manufactured Homes” reviewed manufactured home ownership, manufactured home transactions, the operation of a manufactured home park and manufactured homes on First Nations land.
