HARPER GREY SUPPORTS CKNW'S ANTI-BULLYING PINK SHIRT DAY INITIATIVE

February 27, 2019

Harper Grey is proud to support CKNW's Anti-Bullying Pink Shirt Day. This initiative, recognized annually on February 27th across the country, raises awareness about the bullying that takes place in workplaces, school, online or homes and raises funds to support programs that foster children's healthy self-esteem.

We proudly wore our pink shirts today. In concert with our pink attire, we distributed delicious pink cupcakes purchased from Take Five Café – who donate all proceeds from the cupcakes in the month of February to the CKNW Kids' Fund in support of anti-bullying programs across the province.
