## **HARPER GREY SUPPORTS CKNW'S ANTI-BULLYING PINK SHIRT DAY INITIATIVE**

February 27, 2019

Harper Grey is proud to support CKNW's Anti-Bullying Pink Shirt Day. This initiative, recognized annually on February 27<sup>th</sup> across the country, raises awareness about the bullying that takes place in workplaces, school, online or homes and raises funds to support programs that foster children's healthy self-esteem.

We proudly wore our pink shirts today. In concert with our pink attire, we distributed delicious pink cupcakes purchased from Take Five Café – who donate all proceeds from the cupcakes in the month of February to the CKNW Kids' Fund in support of anti-bullying programs across the province.
