EXPERTISE

Construction & Engineering Law
Commercial Litigation
Health Law

In his health law practice, Cameron has many years of experience assisting, advising and defending physicians in medical malpractice claims and in matters relating to professional and ethical conduct.

Cameron's construction law practice is primarily focused on defending engineers and architects against error and omissions claims, and advising on risk management, including contracts, insurance, and pre-litigation dispute resolution.

He has many years' experience defending and prosecuting construction defect and delay claims relating to public infrastructure, and residential and commercial developments. He acts for consultants, owners, and contractors. He has particular expertise dealing with geotechnical claims arising out of erosion, differential settlement, landslides, and drainage.

Cameron advises owners, general contractors, and consultants on commercial and real estate disputes involving CPLs, builder's liens, easements, restrictive covenants, purchase and sale disputes, and strata disputes.

Cameron has appeared in all levels of BC courts.

Cameron grew up in Halifax, Nova Scotia and obtained an undergraduate degree in Biology and International Development from Dalhousie University.

EXPERIENCE

CONSTRUCTION AND ENGINEERING LAW

- Defending engineers and architects against breach of contract and negligence claims arising out of their provision of professional services
- Assisting owners and contractors with disputes over payment and/or deficiency claims
- Providing advice on contractual and insurance issues

PROPERTY DISPUTES

- Drafting, filing or disputing certificates pending litigation

- Assisting clients with constructive trust claims
- Assisting clients with disputes over surveys, restrictive covenants, and nuisance issues
- Assisting clients with disputes arising out of the purchase and sale of property

COMMERCIAL LITIGATION

- Shareholder disputes including oppression remedies
- Breach of contract claims
- Enforcement of judgments and equitable tracing
- Lawyer fee disputes

HEALTH LAW

- Assisting, advising and defending physicians in medical malpractice claims
- Assisting physicians with hospital privileges and contract disputes with provincial health authorities
- Assisting physicians with issues of professional and ethical conduct

COMMENTARIES

Cameron "quickly grasps the technical complexities and providing not only legal advice, but timely and helpful strategic advice for members of our organization in addressing various matters including ongoing relations with the potential defendants."

— *Benchmark Canada®*

"Cameron Elder has been excellent in connecting directly with the different persons in our organization to gather information and support them with their questions, as well as providing clear plans and next steps."

— *Benchmark Canada®*

"Cameron Elder and Chris Rusnak are excellent lawyers and honorable people. We found them to be very personable and responsive to change."

— *Benchmark Canada®*

"[An] excellent lawyer and honorable person. [He is] very personable and responsive to change."

— *Benchmark Canada®*

"On the younger end of the spectrum, Cameron Elder receives near-unanimous acclaim for his hybrid practice that touches on medical negligence claims and construction/engineering claims."

— *Benchmark Canada®*

"Cam Elder is coming up strong, he just picked up a big book of business."

— *Benchmark Canada®*

"Cam Elder is a very knowledgeable lawyer and I trust his assessment and strategy plans to bring the matter to a close."

— *Benchmark Canada®*

"A distinguishing feature of Cameron Elder's civil litigation practice is its emphasis on complex disputes, generally involving millions of dollars, in two areas – construction and health law."

— *Benchmark Canada®*
