Harper Grey partner [Nigel Trevethan](#) will present at the 2019 Western Canada Addiction Forum on May 4, 2019 at the Delta Hotel Grand Okanagan Resort in Kelowna, BC. The forum will focus on raising the standard of care by informing colleagues, professionals, patients, and the general public on prevention and treatment of substance use disorders, and subsequent recovery. Over the course of the weekend, a diverse line-up of professionals and accomplished speakers will share their knowledge and experience. Nigel will be presenting on understanding the legal necessity of boundaries in clinical practice, including the design of these protocols and mitigating potential risks when they are violated.
