**HARPER GREY LLP PUBLISHES  
4<sup>TH</sup> EDITION OF ENVIRONMENTAL MANAGEMENT  
LEGISLATION & COMMENTARY**

**Harper Grey publication offers insightful explanation of the legal principles governing contaminated sites management in British Columbia**

VANCOUVER, B.C., CANADA – Harper Grey is pleased to announce that the 4<sup>th</sup> Edition of *British Columbia Environmental Management Legislation & Commentary*, authored by Richard Bereti and Una Radoja, has been published.

This unique publication explains the legal principles that govern contaminated sites management in British Columbia, and includes an overview of the *British Columbia Environmental Management Act*, the Contaminated Sites Regulation and key compliance and practice issues.

A must have resource for practitioners, property owners, developers and the environmental consulting industry, the text offers a detailed discussion concerning contaminated site redevelopment, recovery of costs of remediation, key regulatory instruments, and director's orders.
