

VACCINES IN THE WORKPLACE

WHAT YOU NEED TO KNOW THIS WEEK

With BC exceeding its vaccination targets, regulations lifting and the reintegration of employees to the workplace, employers are now faced with trying to navigate the changing dynamic of vaccines and the workplace. We anticipate that changes to legislation could happen on short notice and have created this Round-Up to help employers stay informed in a situation that is so rapidly evolving.

Here are a few important things I thought worth sharing this week:

IN THE NEWS

Canada

1. Study finds many employees believe vaccine-status should impact workplace rights – [Human Resources Director – May 5, 2022](#) – read the article [here](#).

British Columbia

2. Judge rejects B.C. government’s application to dismiss court case challenging vaccination policy for health care workers – [Vancouver Sun – May 5, 2022](#) – read the article [here](#).
3. Naturopaths and chiropractors have lowest COVID-19 vaccination rate among regulated health professionals – [CBC – May 10, 2022](#) – read the article [here](#).

Ontario

4. Vaccination status not protected health information; Ontario Labour Relations Board finds – [Canadian HR Reporter – May 11, 2022](#) – read the article [here](#).
5. Chapman’s Ice Cream inundated by social media misinformation storm over company’s COVID policies – [CBC – May 11, 2022](#) – read the article [here](#).

I hope you found this Round-Up helpful. If you have any questions relating to the reopening of your business or reintegration of your staff – our Workplace Law group is here to assist.

If you are seeing this Round-Up for the first time, you can read previous issues [here](#).
